EDITO

Dear participant,

On behalf of the GRECMIP (Groupe de Recherche et d'Etude en Chirurgie Mini Invasive du Pied) we are pleased to announce that the third International Congress of Minimally Invasive Foot & Ankle Surgery will be held in Bruges, Belgium from May 26 to 28, 2011.

This congress will provide a scientific program about endoscopy and minimally invasive surgery of the foot and ankle and will provide a unique opportunity for the exchange of knowledge, experience and dissemination of the techniques and research findings. A pre-congress live surgery, instructional course lectures, paper presentations, round table discussions and two symposia are included in the program. A first symposium will be dedicated to osteochondral lesions of the ankle joint and the second to the operative treatment of metatarsalgia.

The meeting will be held in collaboration with the French Society of Arthroscopy (SFA), the French Association of Foot Surgery (AFCP), the Belgian Foot and Ankle Society (BFAS) and the Belgian Association of Orthopaedics and Traumatology (BVOT).

Thank you very much for your interest, and we look forward to meeting you in Bruges in 2011.

Best regards,

Geert Van Damme, MD
Congress President

Olivier Laffenêtre, MD
President of GRECMIP

Chers participants,

Nous avons le plaisir de vous annoncer de la part du GRECMIP (Groupe de Recherche et d'Etude en Chirurgie Mini Invasive du Pied) que le troisième Congrès International de Chirurgie Mini-invasive du Pied et de la Cheville se tiendra du 26 au 28 mai 2011 à Bruges en Belgique.

Ce congrès s'articulera autour d'un programme scientifique sur l'endoscopie et la chirurgie mini-invasive du pied et de la cheville et sera une occasion unique d'échanger sur les connaissances, l'expérience et la diffusion des techniques et des résultats de la recherche. Le programme comprendra des démonstrations de chirurgie en direct avant la conférence, des cours magistraux, des présentations, des tables rondes et 0 deux symposiums. Le premier symposium sera consacré aux lésions des os et des cartilages de l'articulation de la cheville et le deuxième au traitement chirurgical des métatarsalgies.

La réunion se tiendra en collaboration avec la Société Française d'Arthroscopie (SFA) L'Association Française de Chirurgie du Pied (AFCP), La Société Belge du Pied et de la Cheville (BFAS) et l'Association Belge d'Orthopédie et de Traumatologie (BVOT).

Merci infiniment pour votre intérêt et nous espérons avoir le plaisir de vous voir à Bruges en 2011.

Cordialement vôtre,

Dr. Geert Van Damme,
Président du Congrès

Dr. Olivier Laffenêtre,
Président du GRECMIP

Thursday May 26th

> Sint Lucas Hospital - Bruges
