Integra collects the following personal data: name, first name, professional address, phone number, fax number, email address, qualification, professional title, specialty and additional information you may fill out in this form.

These personal data are the subject of data processing by Integra for the purpose of managing customers and prospects, organizing events and, when required by local laws, publishing agreements with and payments in favour of healthcare professionals. The data controller is Integra LifeSciences Services (France) - Immeuble Séquoia 2 - 97 allée Alexandre Borodine - Parc Technologique de la Porte des Alpes - 69800 Saint Priest – France.

The data collected are for the exclusive use of Integra LifeSciences Services (France) and other wholly owned subsidiaries of Integra LifeSciences Corporation (hereinafter Integra). According to data privacy regulations in force in the European Union, you may access and rectify your personal data as well as oppose (except if otherwise provided by local laws and regulations) for legitimate reasons, to the processing of your personal data. You may also request not to be sent unsolicited e-mails from Integra. In order to enforce these rights of access, rectification, opposition and e-mail opt-out, you may write to dataaccessrequest@integralife.com.

Please be informed that your personal data may be transferred outside of the European Union to the United States of America for the purpose of storage on servers hosted by safe-harbour certified service providers.
