Application as a FIFA Medical Centre of Excellence

Dear Colleagues,

We would like to thank you kindly for your application as a FIFA Medical Centre of Excellence. Following the evaluation of your application dossier by the Chairman and the review committee of F-MARC, the FIFA Medical Committee followed the recommendation to accredit your institution at their meeting on 2 October 2013.

We are therefore very pleased to confirm the official accreditation of the

Ripoll y De Prado Sport Clinic

as

FIFA Medical Centre of Excellence

The official inauguration ceremony will be undertaken by a member of the FIFA Medical Committee. On this occasion, the official accreditation certificate as well as the signage as a FIFA Medical Centre of Excellence will be presented to you.

We are pleased to recommend your institution to the football community as an elite centre with a history of commitment to football and the respective expertise when specialised services are required. FIFA would like to thank you for your contribution and dedication to prevention and the protection of the health of football players and we look forward to our future collaboration.

Regarding any details of further procedure and administrative as well as marketing issues, please refer to the FIFA medical office.

Your sincerely,
FEDERATION INTERNATIONALE
DE FOOTBALL ASSOCIATION

Dr Michel D'Hooghe
Chairman FIFA Medical Committee

Prof. Jiri Dvorak, MD
FIFA Chief Medical Officer

La FIFA acredita como **Centro Médico de Excelencia FIFA** a aquellas instituciones que considera las mejores a nivel mundial en el tratamiento de lesiones del deporte.

Ripoll y De Prado Sport Clinic obtiene la acreditación en 2013 integrándose en un selecto grupo de élite al que solo pertenecen **23 centros en todo el mundo.**

La acreditación fue obtenida por Ripoll y De Prado Sport Clinic en 2013 junto con Innsbruck, Londres, Nueva York y Tokio.
